LIMITED WARRANTY

Adesso provides a one year limited warranty for all of its products against defects in material and workmanship.

During this period, Adesso will repair or replace any product which proves to be defective. However, Adesso will not warranty any product which has been subject to improper freight handling, shipping abuse, neglect, improper installation or unauthorized repair. The warranty will not cover products installed with components not approved by Adesso and products where the sealed assembly trace has been broken.

If you discover a defect, Adesso will, at its option, repair or replace the product at no charge to you provided you return it during the warranty period with freight charges pre-paid to Adesso. Before returning any product, you must obtain a Return Merchandise Authorization number (RMA). This RMA # must be clearly marked on the outside of the package you are returning for warranty service. Be certain to also include your name, shipping address (no PO Boxes), telephone number, and a copy of the invoice showing proof of purchase in the package.

TIPS

- When the Battery Low LED is ON, it means that the device requires charging the batteries.

- We suggest to turn **"OFF"** the devices when leaving your desk for more than an hour to save battery life for longer lasting use.

TROUBLESHOOTING

If wireless keyboard/ mouse cannot be operated, please try the following:

1. Make sure the Devices have enough power. Switch the device to ON.

2. Make sure you have connected the TYPE-C receiver correctly to the device's TYPE-C ports. Move the devices 1 foot away from the receiver in order to avoid interference while pairing connection.

3. Do the pairing process once more according the Pairing method on page 6.

Note: Wireless phone, routers and other devices that uses 2.4GHz frequency, might cause interference with wireless keyboard and mouse. Please relocate such wireless applicances away from your keyboard and mouse.
