### LIMITED WARRANTY

Adesso® provides a one year limited warranty for all of its products against defects in materials and workmanship.

During this period, Adesso® will repair or replace any product which proves to be defective. However, Adesso® will not warrant any product which has been subject to improper handling, abuse, negligence, improper installation or unauthorized repair. The warranty will not cover products installed with components not approved by Adesso® and products where the sealed assembly trace has been broken.

If you discover a defect, Adesso® will, at its option, repair or replace the product free of charge, provided you return it during the warranty period with freight charges pre-paid to Adesso®. Before returning any product, you must obtain a Return Merchandise Authorization number (RMA). This RMA # must be clearly marked on the outside of the package you are returning for warranty service. Be certain to also include your name, shipping address (no PO Boxes), telephone number, and a copy of the invoice showing proof of purchase in the package.

Quick Guide

### DESCRIPTION

### INSTALLATION

1. Make sure that your computer is turned OFF before installing the Adesso iMouse V30. This equipment requires a USB port.
2. Plug in the USB receiver of the Adesso iMouse V30 to the USB port on your computer.
3. Turn ON your computer. Your operating system will detect the device, then the device will work automatically.

### ADJUSTABLE ANGLE

ADJUSTABLE  
ANGLE

This customizable mice comes with adjustable components that can be modified to accommodate different grip styles and hand sizes. Users can personalize the +/- 7 degrees angle of the mouse to create a more comfortable and ergonomic experience during extended periods of computer use.

VARIABLE DPI  
SWITCH

The switchable DPI (800/1600/2400) provides three levels of control. The iMouse V30 is plug and play and requires no drivers. Simply plug into any available USB port and be ready to experience a different kind of mouse!
