

Luminous Multimedia Keyboard

Model: AKB-132UY

QuickGuide English

LIMITED WARRANTY

ADESSO provides one year limited warranty for the quality of all its products in materials and workmanship.

During this period, ADESSO will repair or replace all merchandise, which proved to be defective. However, ADESSO will not warranty any product which has been subjected to improper freight Handling, shipping abuse, neglect or unauthorized repair or installation. The warranty also will not cover products installed with Non-ADESSO components and product with broken sealed and assembly trace. After replacement of RMA, ADESSO reserves the right to request the total cost of the replacement products with broken seals or assembly trace.

If you discover a defect, Adesso will, at its option, repair or replace the product at no charge to you, provided you return it during the warranty period with transportation charges pre-paid to Adesso. You must contact Adesso at support@adesso.com for a Return Merchandise Authorization number (RMA) prior to returning any product. For each product returned for warranty service, please include your name, shipping address (no P.O. Box), telephone number, copy of the bill of sale as proof of purchase and have the package clearly marked with your RMA number.

INTRODUCTION

The Adesso® AKB-132UY Luminous Ergonomic Yellow Multimedia Desktop Keyboard is designed to help the visually impaired with their computing needs.

Traditional keyboards can have small white letters on dark black keys that can be difficult to identify by people with impaired vision.

Large and bold, these 4X size print keys make it easy to type out a quick email or finish your next book.

The keyboard is designed with low-profile membrane-switch keys that provide quick return and stand up to heavy, long (up to 5 Million Keystrokes) usage.

FEATURES

- Low profile key provides comfort with responsive keys and silence.
- Built-in 17 Multimedia & Internet hotkeys
- Dimensions: 17.7" x 6.3" x 1"
- Cable Length: 6 feet
- Approvals: FCC, CE and ROHS

REQUIREMENTS

- Hardware: IBM, Pentium II class compatible or higher
- Available USB port

INSTALLATION

1. Make sure that your computer is turned OFF before installing this keyboard

2. FOR USB CONNECTION:
Plug in the USB cable to the USB port.

3. Turn On your computer; operating system will detect the device automatically, no driver required.
