LIMITED WARRANTY

Adesso provides a one year limited warranty for all of its products against defects in material and workmanship.

During this period, Adesso will repair or replace any product which proves to be defective. However, Adesso will not warranty any product which has been subject to improper freight handling, shipping abuse, neglect, improper installation or unauthorized repair. The warranty will not cover products installed with components not approved by Adesso and products where the sealed assembly trace has been broken.

If you discover a defect, Adesso will, at its option, repair or replace the product at no charge to you provided you return it during the warranty period with freight charges pre-paid to Adesso. Before returning any product, you must obtain a Return Merchandise Authorization number (RMA). This RMA # must be clearly marked on the outside of the package you are returning for warranty service. Be certain to also include your name, shipping address (no PO Boxes), telephone number, and a copy of the invoice showing proof of purchase in the package.

INTRODUCTION

The Adesso Xtream G1 Stereo Gaming Headset with Microphone offers ergonomic comfort, practical functionalities, and stylish looks that one seeks in a gaming headset. The headband and earcup cushions provide comfort for long term wear while the leather surfaces on the cushions offer soft touch against your skin to prevent irritation. The headbands are also adjustable to make sure you have the perfect fitting. The microphone is also rotatable up to 120° and has noise cancellation to filter unnecessary background noises. Its speakers are equipped with two 50mm drivers to play treble, middle, and bass sound at superior quality. Last but not least, the icing on the cake is its LED lighting, giving the headset a unique look and aura for your gaming experience!
