LIMITED WARRANTY

Adesso provides a one year limited warranty for all of its products against defects in material and workmanship.

During this period, Adesso will repair or replace any product which proves to be defective. However, Adesso will not warranty any product which has been subject to improper freight handling, shipping abuse, neglect, improper installation or unauthorized repair. The warranty will not cover products installed with components not approved by Adesso and products where the sealed assembly trace has been broken.

If you discover a defect, Adesso will, at its option, repair or replace the product at no charge to you provided you return it during the warranty period with freight charges pre-paid to Adesso. Before returning any product, you must obtain a Return Merchandise Authorization number (RMA). This RMA # must be clearly marked on the outside of the package you are returning for warranty service. Be certain to also include your name, shipping address (no PO Boxes), telephone number, and a copy of the invoice showing proof of purchase in the package.

DESCRIPTION

INTRODUCTION

The Adesso Xtream G2 Stereo USB Gaming Headset with Microphone offers ergonomic comfort, practical functionalities, and stylish looks that one seeks in a gaming headset. The headset itself works directly with a simple usb connection to your PC. The headband and earcup cushion are made with breathable material to prevent irritation and to ensure comfort for long term usage. To ensure you have the perfect fitting, the headbands are also adjustable. The microphone is also rotatable up to 120° and has noise cancellation to filter any unnecessary background noises. With its built-in sound card and speakers, equipped with two 50 mm drivers, the headset delivers treble, middle, and bass sound at superior quality. The icing on the cake is its LED lighting, giving the headset a unique look and aura and provides vision while you are gaming in dark environments.
