DESCRIPTION

LIMITED WARRANTY

Adesso® provides a one year limited warranty for all of its products against defects in materials and workmanship.

During this period, Adesso® will repair or replace any product which proves to be defective. However, Adesso® will not warrant any product which has been subject to improper handling, abuse, negligence, improper installation or unauthorized repair. The warranty will not cover products installed with components not approved by Adesso® and products where the sealed assembly trace has been broken.

If you discover a defect, Adesso® will, at its option, repair or replace the product free of charge, provided you return it during the warranty period with freight charges pre-paid to Adesso®. Before returning any product, you must obtain a Return Merchandise Authorization number (RMA). This RMA # must be clearly marked on the outside of the package you are returning for warranty service. Be certain to also include your name, shipping address (no PO Boxes), telephone number, and a copy of the invoice showing proof of purchase in the package.

INTRODUCTION

Experience new levels of productivity with the Adesso® iMouse S80 2.4GHz Wireless Fabric Mini Mouse. This advanced wireless mouse offers you up to 30 feet of wireless freedom and eliminates the constraints that wired mice often cause. Its optical sensor tracking method lets you work on most surfaces with better speed and accuracy. In addition, the mouse includes a built-in DPI resolution of 800/1200/1600 for precise navigation and fast maneuver. On top of these features. Combined with its reliability and portability, the iMouse S80 is your perfect peripheral companion.

Mac® OS 10.3 and above
- An Available USB port

HARDWARE INSTALLATION

1. Remove the battery cover and insert (2) AAA batteries into the mouse and turn the power switch to ON.

2. Turn ON your computer and let your computer load completely.

3. Insert the USB receiver into your computer's USB port. Your operating system will automatically detect your iMouse S80.

4. Your computer's operating system will automatically detect and connect the device (this device is plug and play, no driver is required). Your mouse is now ready for use.
