

CD-8185W

8-Digit Home and Office Calculator

■ Large Display

Contains a huge LCD screen that clearly displays big numbers, making it easy to read from far away.

■ Sensitive and Big Buttons

Your calculation process will be faster and smoother with this calculator's responsive buttons. Once pressed, the buttons quickly register and display the corresponding number on the screen. The large size of the buttons prevents you from hitting the wrong button.

■ Dual Power Design

This calculator utilizes both the solar power and battery power (battery included). The solar panel is the primary source of power, as long as you use it in a lit environment.

■ Versatile Purposes

This calculator is designed for many occasions: business, office, home, basic budgeting, school, and more. Use it to assist your personal finance or for just a quick calculation session.

■ Functionalities

Add, subtract, multiply, divide, backspace, grand total, CE, %, M+/M-/MRC, On/AC Button, and Auto Power-Off. The calculator will turn itself off after about 6 minutes of being idle.
