

ACS-130FB

The Adesso® iPad® Case and 2-in-1 Stylus Pen are the perfect companions for your new iPad — This case is designed to fit both the iPad (3rd generation) and iPad 2, offering both iPad's rear and front cameras full visibility. Enjoy the convenience of an advanced auto-securing magnetic flap that provides extra security and is easy-to-use. Our case also offers multiple viewing angles for either managing your emails, viewing photos and slide shows or watching movies. Storage is not a problem too, this carrying case features a large pocket that can hold documents inside and is covered up using auto-securing magnetic flap. The bundled 2-in-1 Stylus Pen provides a stylus rubber tip to navigate, draw, take notes and interact with iPad more accurately, smoothly and fingerprint-free. This stylus also conveniently offers an ink pen to quickly jot down notes on paper, simply twist pen barrel and instantly access to a pen. With this case and stylus pen combo you will always be prepared —no matter where you are.
