* Product Overview

The Adesso® AKB-110EB 3-Color Illuminated Mini Keyboard is the perfect choice for those who find themselves often working in dark or dimly-lit environments. This keyboard features illuminated backlit keys in 3 colors (Green, Blue and Red) which can be accessed quickly and conveniently with a touch of a button! You can dim, brighten or turn off the light on your backlit keys by using the hotkeys. Measuring less than 12" wide, its compact size is ideal for POS stations, sales or information kiosks, warehouses, or any small working environment. The Adesso® AKB-110EB 3-Color Illuminated Mini Keyboard is designed with membrane key switches that provide a quieter and faster typing experience that stands up to long-term usage!

* 3 Color- Illuminated Back-lit Keyboard

The Illuminated Back-lit Keyboard allows you to work day and night, while easing eyestrain and helping to clearly see the right keys in any dark environment. Whether at your desk or in the bedroom, you can type without disrupting others. In business, this mini keyboard is perfect for dimly lit showrooms, warehouses, or offices.

* 2X Size: Large Print Keys

The 2X-sized, large print keys provide excellent contrast and greater appeal than traditional keyboards with the hard-to-read letters.

* Compact Size

This keyboard is 11.75" wide and is designed with a Windows key layout that includes an embedded numeric keypad. This keyboard is a great space saver for your home or office. This keyboard is ideal for use in POS stations, kiosks, warehouses, manufacturing environments, or any place where space is limited.
