AKB-132 Series Multimedia Desktop Keyboard

The Adesso Multimedia Desktop Keyboard (AKB-132) is built to make handling your daily computer tasks easier. This keyboard features 14 hotkeys for quick access to your media player controls, email, Internet browser and other common applications like My Computer, Mail and Calculator. The AKB-132 uses quiet membrane key switches that provide a more quiet, tactile response. Available with either a USB or PS/2 connector.

■ Multimedia Controls

Control your media player with just one touch using the built-in Multimedia Hotkeys for easy access to your favorite video or music playlist.

■ Windows One-Touch Controls

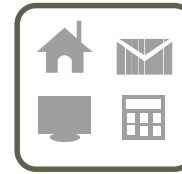

Instantly open your favorite Windows applications, such as My Computer, Calculator, Mail, or search without having to navigate with your mouse.

■ Quiet Membrane Key Switches

Membrane key switches provide a better tactile response and a quieter typing experience. Plus they last up to five million keystrokes.
