Smart Card

Smart Card Reader	2 Port USB Hubs	Scissor-Switch Technology	Multimedia and Internet Hotkeys

Adesso SlimTouch™ 510 Mini Keyboard with Smart Card Reader and USB Hubs features a 78 key mini keyboard layout with a built-in smart card reader for banking transactions, identification systems, secure web applications, and secure logon. The built-in 2-port USB hub adds easy access and convenience for input devices like flash drives or a mouse. The built-in multi-functional hotkeys allow quick access to your multimedia controls and Internet browser commands. The keys are designed with slim and low-profile Scissor-Switch keys, bringing a more comfortable, quieter, and faster typing experience. This slim & mini keyboard is less than 12" wide and is an impressive space saver for desktops in homes or offices and ideal for use in POS, kiosks, warehouses, manufacturing environments or any small working area.

■ Built-in Smart Card Reader

The built-in Smart Card Reader brings extra security and ease for banking transactions, identification systems, secure web applications, and secure logon. Due to its secure nature, smart card keyboards are extensivelty used by industries like banking, healthcare, e-commerce, and government agencies. This device supports multiple international standards including ISO7816 for IC card standard, PC/SC 2.0 for Windows Smart Card standard, Microsoft WHQL, EMV for Europay MasterCard Visa standard and USB-IF CCID standard.

■ Built-in 2-Port USB Hubs for Convenience

2-Port USB Hubs adds easy access and convenience for input devices like flash drives or a mouse.

■ Slim, Quiet and Fast Scissor-Switch Keys

The scissor-switch keys not only offer a faster, quietier and more responsive keying experience, but also provides comfort, speed and better tactile feel. The less than 12" wide keyboard offers slim keys and is compact for easy portability.

■ Multimedia and Internet Controls

Control your media player with just one touch using the built-in Multimedia Hotkeys for easy access to your favorite media or website
