

AKB-625UB Illuminated Compact Keyboard

The Adesso® AKB-625UB Illuminated Compact Keyboard makes typing easy, comfortable and productive day or night. By day, the keyboard's low-profile scissor-switch keys provide a tactile response that make typing easy and quiet. By night, enjoy the same features plus a choice of three backlit colors (green, blue or aqua) that will minimize eye strain and keep you productive into the wee hours. The compact layout and ultra-slim modern design fit beautifully in any room of your home or office.

■ Multiple Illuminating Color Options

The AKB-625UB offers three distinct illumination colors (green, blue and aqua), so you find the perfect brightness and color for your unique eyesight.

■ Scissor-Switch Keys

The slim low-profile scissor-switch keys are designed to offer a quieter and faster typing response —the same great typing feeling as laptop keys.

■ Ultra-Slim and Stylish Design

This keyboard offers an ultra-slim design, measuring 0.4" in thickness, and a sleek glossy frame finish to add style to any room in your house or office.

■ Compact Layout

The keyboard's compact layout is space-saving, perfect for small workstations, and provides comfort for long hours of use.
