

The Adesso[®] AKB-635UB Illuminated Keyboard makes typing easy, comfortable and productive in any lighting—even in dark! By day, enjoy the keyboard's low-profile scissor-switch key design that offers a faster and quieter tactile response. By night, continue enjoying these same great features along with three illumination color options that prevent eye strain and let you be productive throughout the night. This keyboard offers a full size layout and an ultra-slim modern design to fit any room in your house or office.

■ **Multiple Illuminating Color Options**

The AKB-635UB offers three distinct illumination colors (green, blue and aqua), so you find the perfect brightness and color for your unique eyesight.

■ **Scissor-Switch Keys**

The slim low-profile scissor-switch keys are designed to offer a quieter and faster typing response—the same great typing feeling as laptop keys.

■ **Ultra-Slim and Stylish Design**

This keyboard offers an ultra-slim design, measuring 0.4" in thickness, and a sleek glossy frame finish to add style to any room in your house or office.

■ **Full Size Layout**

The keyboard's full size layout offers great comfort and productivity for long hours of typing.
