Bundled Software

ArtRage 2.6 Drawing Software
With ArtRage 2.6 you can paint with oils, sketch with pencils, sprinkle sparkling glitter and much more. ArtRage 2.6 also offers Layers, Layer Groups and Layer Blend Modes for advanced designers.

Painting Tools
Many of the tools can be adjusted to give different effects. You can paint with thinned oils, use wet or dry markers, soften your pencil, control the hardness of the crayon and much more.
Stencils and Rulers
Stencils and rulers let you make precise shapes and lines while still painting freehand. Place down as many stencils as you like, then paint over them and the paint will only be inserted in stencil design areas.

Tracing Images and References
ArtRage 2.6 makes it easy to recreate photos or other images using its tracing features. Load a tracing image to your canvas and use it as a guide while you sketch and paint.

Metallics
The Metallic Paint option let's you work with blendable gold and silver metallic oil paints, sparkling glitter, silver leaf sprays and much more. Any of the ArtRage 2.6 tools can be switched to Metallic mode for a wide range of effects.

PhotoStudio™ 6 Photo Editing Software
ArcSoft PhotoStudio 6 is a powerful image editing application with new features to help you enhance, manage, print, and get creative with your digital photos.

Advanced Photo Editing Tools
PhotoStudio 6 offers an array of advanced editing tools, including Simple Selection, Photo Cloning, Multi-Layer Support, Brush and Stamp, Text Layer, Transform, and Print.

Face Beautify
Face Beautify reduces blemishes on the face such as wrinkles, moles, spots, and freckles. It also adjusts face color, brightens eyes, removes red-eye, whitens & repairs teeth, adds color to lips, and so on.

Magic-Cut Quickly Extracts
Magic-cut extracts an object in only three steps: Define the object and background, fine-tune the edges, and cut it out. Then you can paste the object into any background.

Creative Photo Filters
PhotoStudio 6 offers more than 40 filters including Oil Painting, Watercolor, Charcoal, Wet brush, Pastel, Impressionistic, Neon Edges, Bulge, Pinch, Stretch, Magic Mirror, Mosaic, Splash, Texture, Cool, Moonlight, Solarization, Exposure, Wind, Frost, and more.
