

# iMouse T3 Ergonomic Trackball Mouse

www.adesso.com

Ergonomic Design

Detachable Trackball

1.3" Large Trackball

Adjustable DPI Switch

Plug & Play

### ■ Ergonomic Design

The iMouse T3 ergonomic design provides a comfortable grip and eliminates hand strain, while giving great cursor control.

### ■ Detachable Trackball

The 1.3" detachable trackball can be removed by pushing the trackball outward from the back of the device for easy cleaning and occasional maintenance.

### ■ Large Trackball

The large size trackball makes it easier to control the cursor with minimal hand movement, providing a perfect combination of long-lasting comfort and precision.

### ■ 4 Level DPI Switch(400/800/1200/1600)

The adjustable DPI switch provides control of the trackball with 4 different speeds. Conveniently located below the Scroll Wheel, the DPI adjustment buttons let you quickly adjust cursor speed between the various computer tasks throughout your day.

### ■ Plug & Play

The iMouse T3 requires no driver. Simply connect the device to your computer and begin enjoying your new peripheral companion.
