www.adesso.com

The Adesso iMouse W10 is a one of a kind mouse offering wireless technology, water resistance and an innovative scrolling pad feature. The 2.4 GHz RF wireless technology lets you work freely with no space constraints and it offers 30 feet of wireless freedom. The water resistant design provides you with the ability to wash away germs and bacteria with soap and water or with liquid cleansers with no damage to your mouse. The innovative touch scrolling pad lets you easily scroll up and down your screen with the touch of one finger. The comfortable design and elimination of a scroll wheel reduces hand strain allowing you many hours of comfortable use.

### ■ Work Freely with No Limits of Space, Angles or Distance

With 2.4 GHz RF wireless technology and 65000 IDS on 32 channels you can enjoy 30 feet of wireless freedom.

### ■ Advanced Touch Scroll Pad

Now scroll up and down with the touch of one finger. Replace your traditional scrolling wheel mouse with the advanced iMouse W10 touch scrolling pad.

### ■ Waterproof

The iMouse W10 can be cleaned with soap and water to eliminate germs, the silicon ring between the top and bottom covers create a waterproof seal preventing water from seeping into mouse.

### ■ Optical Sensor

This mouse features an optical sensor that improves your cursor's speed, accuracy and reliability without hassle of clogged mouse ball.
