

iMouse W20

Anti-Microbial Waterproof 2.4 GHZ Wireless Mouse

■ Product Overview

The Adesso® iMouse W20 2.4GHZ Wireless Waterproof Anti-Microbial mouse is the ideal pointing device for the industrial, medical and maritime industries because it is 100% water, Oil and Dust-proof and offers unique washing capabilities to eliminate germs and bacteria. The soft touch offers comfort while providing protection from unexpected spills or debris. The mouse provides three scrolling buttons: Up, Down, and Universal Scroll so you can navigate quickly or in sections. 2.4 GHz RF wireless technology and 65000 IDS on 32 channels gives you up to 30 feet of wireless freedom.

■ Anti-Microbial

The anti-microbial silicon material prevents the growth of harmful bacteria and germs.

■ Waterproof, Oil Proof and Dust Proof

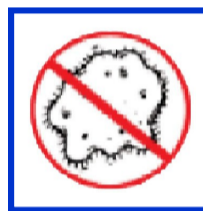

Sealed with a silicone material overlay, this mouse is 100% waterproof, oil proof and dust proof and can be cleaned with soap and water or other liquid cleaners.

■ Advanced Touch Scroll Pad

Scroll up and down with the touch of one finger. Replace your traditional scroll wheel mouse with the advanced iMouse W2 touch scroll pad.

■ 2.4 GHz Wireless Technology

2.4 GHz RF wireless technology and 65000 IDS on 32 channels gives you up to 30 feet of wireless freedom. This mouse does not require any installation of proprietary software, just plug and play
