

Bluetooth Mini Keyboard

www.adesso.com

The Adesso Bluetooth Mini Keyboard is the perfect companion for your all your Bluetooth enabled devices. This sleek and stylish keyboard includes a standard layout with Internet and Multimedia Hotkeys to access your device's shortcuts with one-touch. The keyboard is designed using scissor-switch keys which offer a quieter and faster tactile response than traditional keyboards, so you can be productive without the extra noise. The Adesso Bluetooth Mini Keyboard was designed to offer you all the great benefits of a desktop keyboard in a small compact portable size, so you can carry it with you anywhere and feel right at home.

■ Bluetooth Wireless Technology

Bluetooth wireless technology gives you the freedom to use your keyboard at any angle for up to 30 feet from your iPad without the need of wires.

■ Internet and Multimedia Hotkeys

The Internet and Multimedia Hotkeys let you connect directly to your favorite multimedia programs and PC shortcuts with one-touch.

■ Scissor-Switch Keyboard is Slim, Quiet and Fast

The 10-inch wide keyboard offers slim keys and is compact for easy travel. The slim scissor-switch keys are designed to offer quiet typing and faster key response.

■ Power-Saving Switch

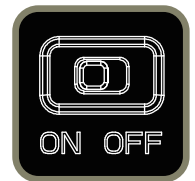

The Power ON/OFF Switch allows users to turn keyboard power off when keyboard is not in use, saving and extending battery life.
