The Adesso Bluetooth Mini Keyboard is the perfect companion for your iPad and other Bluetooth enabled devices. This sleek and stylish keyboard includes a standard layout with iPad and Multimedia Hotkeys to access your iPad's shortcuts with one-touch. The keyboard is designed using scissor-switch keys which offer a quieter and faster tactile response than traditional keyboards, so you can be productive without the extra noise. The Adesso Bluetooth Mini Keyboard was designed to offer you all the great benefits of a desktop keyboard in a small compact portable size, so you can carry it with your iPad anywhere and feel right at home.

■ **Bluetooth Wireless Technology**

Bluetooth wireless technology gives you the freedom to use your keyboard at any angle for up to 30 feet from your iPad without the need of wires.

■ **iPad and Multimedia Hotkeys**

The iPad and Multimedia Hotkeys let you connect directly to your iPad and multimedia shortcuts with one-touch, giving you quick access to your most used tools.

■ **Scissor-Switch Keyboard is Slim, Quiet and Fast**

The 10-inch wide keyboard offers slim keys and a compact size for easy travel, while the slim scissor-switch keys offer you a quieter and faster key response.

■ **Power-Saving Switch**

The Power ON/OFF Switch allows users to turn keyboard power off when keyboard is not in use, saving and extending battery life.
