

**Versatile Case & Detachable Keyboard**

**Automatic On/Off Case Technology**

**Ultra-Slim & Aluminum Design**

The Adesso® Compagno™ 3 Bluetooth® 3.0 Scissor-Switch Keyboard and Case are the perfect companions for your iPad 2™. This ultra-slim aluminum base detachable Bluetooth® 3.0 keyboard offers great style and includes a standard layout with iPad™ and Multimedia Hotkeys, to access iPad 2™ shortcuts with one-touch. The keyboard's scissor-switch keys provide the same great tactile feel as a laptop and a fast, almost silent key response. A contemporary faux leather case accompanies your keyboard to protect your iPad 2™ from the unexpected. This case not only protects, but it also provides multiple viewing angles for easier typing, Internet browsing, and video viewing. The Compagno™ 3 case design also converts into a stand-alone iPad™ case, gives your two iPad 2™ cameras full visibility and includes a magnetic closure that automatically wakes and sleeps both your iPad™ and Bluetooth® keyboard when you open or close the case.

**Bluetooth® 3.0 Keyboard is Wireless, Quiet and Fast**

This detachable Bluetooth® 3.0 keyboard offers an instant connection to your iPad™, plus lower battery consumption, higher security encryption, and 8x faster transmission speed than Bluetooth® 2.0, with a wireless distance of 30 feet. The scissor-switch keys offer the same great tactile feel as a laptop and a fast, almost silent key response.

**Ultra-Slim Stylish Keyboard Design and Versatile Case**

This ultra-slim keyboard and versatile case are designed to be used together or separate. The ultra-slim aluminum base design provides style, a great tactile feel and protects keyboard when used alone. The case provides advanced magnetic technology that lets the keyboard be easily attached and detached from case, it also can be converted to iPad stand-alone case.

**Keyboard and iPad Automatic On/Off Case Technology**

Enjoy the advanced power management this case has to offer. Simply close case to shut off both keyboard and iPad 2 power and open to activate power. With this unique power management technology you can rest assure that your devices will have power when on-the-go.

**Multiple Viewing Angles**

The Adesso Compagno™ 3 case offers the flexibility to use case without keyboard, providing an additional viewing angle. Simply take out your keyboard and instantly you have a relaxing position to view slideshows, videos, and movies hands-free! This viewing position also keeps your iPad 2™ securely in place, so you can safely use the touch-screen.
