Universal Bluetooth® Mini Keyboard 1010

The Adesso Universal Bluetooth® Mini Keyboard 1010 is the perfect companion for your tablet (e.g iPad 2, Galaxy Tab, Xoom, PlayBook) and all other Bluetooth® enabled devices. This sleek and stylish keyboard includes a standard layout with Home Screen and Back tablet hot keys and six multimedia hot keys to access your device's multimedia tools with one-touch. The keyboard is designed using scissor-switch keys, which offer a great feel, fast tactile response and quieter input than other traditional keyboards, so you can be productive without the extra noise. Its small compact size offers great comfort and portability, so you can take with you on the road with your favorite tablet device or use at home with your Bluetooth® enabled devices.

Bluetooth Wireless Technology

Bluetooth® wireless technology gives you the freedom to use your keyboard at any angle for up to 30 feet from your tablet or Bluetooth® enabled device, without the need of wires.

Tablet & Multimedia Hot Keys

The tablet hot keys offer instant access to your home screen or returns you to your previous screen. The multimedia hot keys access your devices multimedia tools with one-touch.

Slim, Quiet and Fast Scissor-Switch Keys

The 10-inch wide keyboard offers slim keys and is compact for easy portability. The slim scissor-switch keys are designed to offer quiet typing and faster key response.

Power-Saving Switch

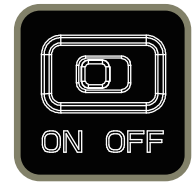

The Power ON/OFF Switch allows users to turn keyboard power off when keyboard is not in use, saving and extending battery life.
