

The Adesso Bluetooth Keyboard & Mouse for Mac users two advanced input devices with ergonomic design, multifunctional features and a wireless range of up to 30 feet. The design of this keyboard with splitted key zones and gently sloped shape encourages natural position of hands, wrists, and forearm in maximum comfort for long use. The included Bluetooth mouse not just provides comfortable ergonomic design but also equips with a DPI switch for changing resolution (1000/ 1500/ 2000) and two Internet navigation buttons. Along with these great features of Bluetooth Keyboard and mouse, they are both designed in pearl white color to match with your Apple Computers.

■ Bluetooth 3.0 Wireless Technology

Bluetooth 3.0 wireless technology offers 30 feet of wireless freedom, plus lower battery consumption and higher security encryption

■ Ergonomic Design

These keyboard and mouse are ergonomic design that provides smooth, accurate and comfortable feel preventing hand strain after multiple hours of use.

■ Mac, Internet & Multimedia Keys

Get instant access to your commonly used Mac, Internet and multimedia tools with the 20 built-in hotkeys this keyboard has to offer.

■ DPI Switch & Navigation Buttons

Quickly and easily adjust mouse DPI resolution (1000/ 1500/2000) for a faster response with the convenient DPI Switch located at the top of mouse. This mouse also includes two convenient side internet forward & back buttons for quick Internet navigation.
