

The Adesso Compagno X™ Bluetooth Keyboard with Case for Xoom™ is designed to make travelling and typing with your Xoom™ a breeze. The keyboard is design using an advanced silicon material that offers a fast and almost slient typing experience, while also preventing damage to your keyboard from unexpected spills. The Compagno X™ keyboard is also detachable, providing you with the flexibility to use the keyboard from any angle and with other Bluetooth devices, such as your PC or Smart Phone. The Compagno X™ custom case offers you multiple viewing angles for heavy typing, movie watching or to navigate the web. The case also provides your Xoom™ with great protection and style while on the go. With all these great features it's no wonder why the Compagno X™ is the perfect Xoom™ companion!

■ **Detachable Bluetooth Keyboard**

The Compagno X™ case offers you a custom magnetic tray so you can ensure your keyboard is secure when travelling, while also letting you detach keyboard for your comfort or to use with other devices. The detachable keyboard offers you 30 feet of wireless freedom, so you can use from any angle.

■ **Fast, Silent and Waterproof Keys**

This keyboard is designed using an advanced silicon material that offers a fast and almost silent tactical key response, while also protecting your keyboard from spills.

■ **Multiple Viewing Angles**

The Compagno X™ offers multiple viewing angles so you can easily answer e-mails, browse the Internet and watch videos.

■ **Stylish Faux Leather Case**

The Compagno X™ faux leather case has contemporary styling and an auto-secure magnetic closure that protects and looks good while on the go.
