10" Bluetooth® Touchpad Keyboard

The Adesso 10" Bluetooth Touchpad Keyboard is the perfect keyboard for all your Bluetooth enabled devices because it offers a wireless range of up to 30 feet and comes fully equipped with both a touchpad and scroll bar - giving you full control of your devices from your keyboard! In addition, the keyboard is water-resistant and spill-proof; the keyboard's advanced silicon material prevents liquids from damaging your keyboard. The silicon keys also provide a fast tactical response and are almost silent when typing, so you can be sure to work without disturbing others. The keyboard comes with a rechargeable battery, eliminating the need of constant battery changing and waste. Simply plug in your keyboard's micro USB cable to your keyboard and computer and recharging is initiated-yes, it is that easy!

■ Bluetooth Wireless Technology

Bluetooth wireless technology gives you the freedom to use your keyboard at any angle for up to 30 feet from your device without the need of wires.

■ Built-In Touchpad and Scroll Bar

The built-in touchpad and scroll bar offers you full cursor control from your keyboard, so you can easily navigate your device without needing a mouse.

■ Water-resistant, Silent and Fast

This keyboard is designed using an advanced silicon material that offers a fast and almost silent tactical key response, while also protecting your keyboard from spills.

■ Rechargeable Battery

This keyboard comes equipped with a Polymer rechargeable battery that is easily recharged by connecting the Micro USB cable (included) to your computer.
