

# Compagno Book™ Bluetooth® Touchpad Keyboard with Case for PlayBook™

The Adesso Compagno Book™ Bluetooth Touchpad Keyboard and Case for PlayBook™ are designed to make travelling and typing with your PlayBook™ a breeze. This compact keyboard comes fully equipped with a touchpad and scroll bar offering you cursor control right from your keyboard. The keyboard is design using an advanced silicon material that offers a fast and almost siliient typing experience, while also preventing damage to your keyboard from unexpected spills. The Compagno Book™ keyboard is also detachable, providing you with the flexibility to use the keyboard from any angle and with other Bluetooth devices, such as your PC or Smart Phone. The Compagno Book™ custom case offers you multiple viewing angles for heavy typing, movie watching or to navigate the web. The case also provides your PlayBook™ with great protection and style while on the go. With all these great features it's no wonder why the Compagno Book™ is the perfect PlayBook™ companion!

### ■ Detachable Bluetooth Keyboard

The detachable Bluetooth keyboard gives you the freedom to use your keyboard at any angle for up to 30 feet from your device.

### ■ Built-In Touchpad and Scroll Bar

The Compagno Book™ built-in touchpad and scroll bar offer you full cursor control from your keyboard, so you can easily navigate on your PlayBook™ without having to touch your screen.

### ■ Fast, Silent and Waterproof Keys

This keyboard is designed using an advanced silicon material that offers a fast and almost silent tactical key response, while also protecting your keyboard from spills.

### ■ Stylish Case with Multiple Viewing Angles

The Compagno Book™ faux leather case offers multiple viewing angles so you can easily answer e-mails, browse the Internet and watch videos.
