Wireless SlimTouch Desktop Touchpad Keyboard

Work without the limitations of cables, wires or line of sight receivers with the Adesso Wireless SlimTouch Desktop Touchpad Keyboard. This wireless keyboard is an all-in-one solution providing a full 104-key QWERTY keyboard layout, built-in touchpad, and multimedia and Internet hotkeys. In addition to your touchpad this keyboard also features a scroll pad and left and right mouse buttons so navigating documents and web pages is a breeze, without ever using a mouse! Now you can control every aspect of your PC from one convenient location. With its clean lines, elegant chrome accents, and piano finish design the SlimTouch keyboard adds style to any room at home or at the office.

2.4GHz Radio Frequency Wireless Technology

Built-In Touchpad

Embedded Multimedia and Internet Hotkeys

- **Work Freely with No Limits on Space, Angles or Distance**
With 2.4GHz RF wireless technology and 65000 IDs on 12 channels you can enjoy 30 feet of wireless freedom.

- **Built-In Touchpad**
The Glidepoint Touchpad technology provides superior cursor control at your fingertips and the central positioning on the keyboard offers ultimate comfort and convenience. The built-in touchpad also eliminates the need for a mouse and saves valuable desk space.

- **Power-Saving**
With the patented automatic indicator lights power-saving feature and ON/OFF switch you can extend the life of your batteries.

- **Contemporary and Stylish Design**
The slim and stylish keyboard design with chrome accents and piano finish adds style in any room.
