

■ 2.4GHz RF Wireless Technology

No matter what you are doing on the computer, you can now enjoy working at any angle and at a distance of up to 30 feet and have minimal interruptions with 65,000 auto switching IDs over 12 channels.

■ Ergonomic Wave Design

The design of this keyboard with curved key frames and gently sloped shape encourages natural position of hands, wrists, and forearm in maximum comfort for long use.

■ Quiet Membrane Key Switches

Membrane key switches provide a better tactile response and a quieter typing experience. Plus they last up to five million keystrokes.

■ Internet, Multimedia, and Desktop Hotkeys

Control all aspects of your user experience with on-touch using the built-in Internet, Multimedia, and Desktop Hotkeys. Quickly complete your tasks swiftly with 13 Windows Keys that let you quickly navigate your files and the web while taking full control of your multimedia entertainment with 7 Multimedia hotkeys.

■ Optical Sensor

This wireless mouse equipped with a 1200 DPI optical sensor offers more precision, accuracy and comfort than most traditional optical mice.
