

The Adesso Bluetooth® Keyboard & Mouse for Mac offers Mac® users two advanced input devices with a great design, multi-functional features and a wireless range of up to 30 feet. The Adesso Bluetooth® Keyboard for Mac includes a 104-Key US Mac® layout, great tactical feel and 18 unique hot keys to navigate your system with the touch of a key. The Adesso Bluetooth® Mouse for Mac® provides a comfortable ergonomic design for long use, a DPI Switch to easily change response speed (1000/1500/2000) and two Internet navigation buttons. Along with these great features the Adesso Bluetooth® Keyboard & Mouse for Mac® are both designed in a beautiful pearl white color to match with your other Apple products and workstation.

Bluetooth® 3.0 Wireless Technology

Bluetooth® 3.0 wireless technology offers 30 feet of wireless freedom, plus lower battery consumption, higher security encryption, and 8x faster transmission speed than Bluetooth® 2.0.

Mac, Internet & Multimedia Keys

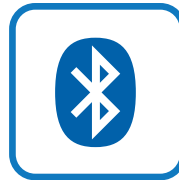

Get instant access to your commonly used Mac, Internet and multimedia tools with the 18 built-in hot keys this keyboard has to offer.

DPI Switch & Navigation Buttons

Quickly and easily adjust mouse DPI resolution (1000/1500/2000) for a faster response with the convenient DPI Switch located at the top of mouse. This mouse also includes two convenient side internet forward & back buttons for quick Internet navigation (for Safari browser).

Optical Sensor & Ergonomic Design

This mouse's optical sensor and ergonomic design provides a smooth, accurate and comfortable feel, preventing hand strain after multiple hours of use.
