■ Stereo Sound

The Xtream G2 has a built-in soundcard, allowing direct plug-and-play with a simple USB connection and eliminating the need for separate audio and microphone connection. The speakers' 50mm drivers deliver clear and crisp stereo sound for your gaming experience.

■ Comfortable Fit & Wear

The earcups and headband are adjustable to ensure the perfect fit, while the custom padding provides a soft comfortable cushion.

■ Built-in Noise Cancelling Microphone

The built-in microphone is omnidirectional which picks up sound with reliability and is flexible which allows you to adjust the position for optimal performance. The built-in noise cancelling technology helps filtering out unwanted noises from the background, delivering your voice in the most clear and precise manner.

■ Volume Control

With the conveniently located media control, you can adjust the volume and mute the microphone easily at the tip of your fingertips.

■ LED lighting

The LED lighting design provides a unique look and aura to the overall design of the headset.
