The Adesso M2 is a small omnidirectional lavalier clip on microphone used for television, theatre, and public speaking applications in order to allow for hands-free operation. Provided with a small clip for attaching to collars, ties, or other clothing. The cord may be hidden by clothes and either run to a radio frequency transmitter kept in a pocket or clipped to a belt, or routed directly to the mixer or a recording device.

■ Crystal Clear Omnidirectional Sound

The small condenser microphone features an omnidirectional pickup pattern that blends it properties for natural sounding spoken voice rendering it perfect for podcasts, interviews, and general dictation, providing proper signal levels optimized for mobile devices.

■ 3.5MM AUX Plug and Play

Just plug 3.5MM cable and start recording audio with iPhone Samsung and other smartphone. Rugged and reliable with a lightweight hands-free mic. Ideal tool for recording YouTube, Facebook, Instagram, Periscope.

■ Hi-Fi Stable Audio Cable

An added extension extra long 79inch (2 meter) cord making the cell phone microphone quick and easy to deploy in any situation such as interview, conference, live broadcast, teaching, YouTube vlog.

■ Let Go of Your Hand

Lavalier Mic with the sturdy mini metal clip you can attach it to your collar, tie or bag. It is perfect to attach the microphone 6-7 inches away from the mouth. The position is able to maintain a loud, clear and faithful sound, making your voice stereo and more vivid.
