

AKB-140CB

Desktop Keyboard and Mouse Combo

The Adesso AKB-140CB is a sleek USB low-profile keyboard and mouse combo equipped with quiet switches designed to provide a smooth typing experience. Featuring a CoPilot AI hotkey that instantly gives you access to AI-driven assistance tools.

■ Quiet Switches

The Adesso AKB-140CB features quiet low-profile switches designed for a smooth, soft keystroke that minimizes typing noise. Perfect for shared workspaces, these switches deliver a comfortable and responsive typing experience without distractions.

■ CoPilot AI Hotkey

Instantly access Microsoft Copilot AI on supported Windows 11 (23H2+) systems with a single press of the integrated Copilot hotkey, streamlining productivity and enabling fast interaction with AI-driven assistance tools.

■ Low Profile

Low-profile membrane keys offer a slim, streamlined design for keyboards, providing a quieter and smoother typing experience. These keys require minimal force to press, reducing finger fatigue and enhancing comfort during extended use. Ideal for those seeking a sleek, modern aesthetic without compromising functionality.
