EasyTouch AKB-610UB

Multi-OS Mechanical Compact Keyboard With CoPilot Ai Hotkey

Blue Mechanical Switch

The blue mechanical switch provides a tactile and clicky feedback where you feel and hear clearly when a key has been pressed. These switches are also built to last with a lifespan of 50 million keystroke lifecycle.

CoPilot Ai Hotkey

The Copilot AI hotkey on your keyboard provides instant access to an advanced AI assistant designed to assist you in various tasks. Simply press the designated hotkey, and Copilot AI will be ready to generate code, provide creative suggestions, or assist you with language-related tasks. It's your quick and efficient way to harness the power of AI right at your fingertips.

2X Size Large Print Keys

The 2X-sized, large print keys provide excellent contrast and greater appeal than traditional keyboards with the hard-to-read letters.

Multi OS Layout

Our keyboard's multi-OS layout feature is designed for versatility, catering to users across various operating systems. With the ability to seamlessly switch between layouts for different operating systems such as Windows, macOS, and Linux.

Multimedia and Windows Hotkeys

The AKB-610UB has various built-in hotkeys. With just a simple click you can enjoy the convenience of different windows functions.

Compact Size

This keyboard is 11.75" wide and is designed with a multi-OS layout includes Windows and Mac. This keyboard is a great space saver for your home or office, ideal for use in POS stations, kiosks, warehouses, manufacturing environments, or any place where space is limited.
