EasyTouch 130

Full Sized Wired Mechanical Keyboard With CoPilot AI Hotkey

Brown Mechanical Switches

The Brown mechanical switch provides a silent & tactile feedback where you feel and hear clearly when a key has been pressed. These switches are also built to last with a lifespan of 50 million keystroke lifecycle.

CoPilot Ai Hotkey

The Copilot AI hotkey on your keyboard provides instant access to an advanced AI assistant designed to assist you in various tasks. Simply press the designated hotkey, and Copilot AI will be ready to generate code, provide creative suggestions, or assist you with language-related tasks. It's your quick and efficient way to harness the power of AI right at your fingertips.

2X Size Large Print Keys

The 2x-sized large print keys provide excellent contrast and greater appeal than traditional keyboards with the hard to read letters.

Gasket Structure

The Easytouch 130 features a unique Gasket Structure that filling cotton add between the PCB and the positioning board, reduce the noise of the shaft knocking and provide a better type feeling.
