

The Adesso WKB-4450UB is a wireless multi OS full sized touchpad keyboard with membrane switches. This model is built to make handling your daily computer tasks much easier. Replace the need for a mouse with the integrated touchpad and left/right click buttons and a scroll wheel.

■ CoPilot AI Hotkey

The Copilot AI hotkey on your keyboard provides instant access to an advanced AI assistant designed to assist you in various tasks. Simply press the designated hotkey, and Copilot AI will be ready to generate code, provide creative suggestions, or assist you with language-related tasks. It's your quick and efficient way to harness the power of AI right at your fingertips.

■ Multi-Device and Multi OS

This touchpad keyboard offers the freedom to use different Operating Systems from Windows and Mac with it's multi-OS key configurations.

■ Built-in Touchpad

The keyboard also features an integrated built-in touchpad which can take the place of your mouse, making it easier to control the movement of the cursor in your personal computer with the included left/right click buttons and scroll wheel.

■ Internet, Multimedia, and Desktop Hotkeys

Control all aspects of your user experience with on-touch using the built-in Internet, Multimedia, and Desktop Hotkeys. Quickly complete your tasks swiftly with 13 Windows Keys that let you quickly navigate your files and the web while taking full control of your multimedia entertainment with 7 Multimedia hotkeys.
