

Xtream P7P-TAA

Headset With Push To Talk, Volume +/-, Answer/End Call Controls

Introducing the Adesso Xtream P7T-TAA 3 in 1 ultimate headset, your communication companion. This sleek and versatile headset seamlessly combines advanced features for exceptional audio clarity and effortless call management. The built-in microphone, enhanced with push-to-talk functionality, ensures crystal clear conversations in any environment. With integrated volume up and down buttons, adjusting audio levels becomes intuitive and convenient, allowing you to immerse yourself in your tasks without missing a beat.

■ Push To Talk Button

Instantly transmit your voice with push-to-talk streamlining communication and enhancing collaboration. Simple and intuitive, it enables flexible control of the microphone for different scenarios.

■ Call Control Button

Effortlessly manage calls with dedicated answer/end button, ensuring seamless connectivity and control. Press the answer button to take a call and the end call button to finish it, providing convenience for communication.

■ Multi-Device Compatible

Reliable connection for universal compatibility providing hassle-free device integration. Wide compatible with Windows 11/10/8/7XP/Vista, Mac OS X 10.6 and later. Great ideal for online courses, call center and conference calls.

■ Adjustable Microphone

Tilt the microphone slightly upwards, pointing towards your mouth. Experiment with angles to find the best position for clear and crisp audio capture.

■ Comfortable Fit

Enjoy extended wear in luxurious comfort, as the ergonomic design of the headset ensures a secure and cozy fit.
