

Experience the ultimate audio freedom with the Adesso Xtream T2 Wireless Earbuds, featuring advanced Bluetooth 5.3 technology for seamless, reliable connectivity and lossless audio. These true wireless stereo earbuds boast dual microphones and Active Noise Cancelling, ensuring crystal-clear conversations even in noisy environments. Compact in design, they fit snugly in your ears for all-day comfort. Effortlessly control your music and calls with intuitive touch controls.

■ Bluetooth

Enables wireless connectivity to smartphones, tablets, and other Bluetooth-enabled devices. This allows users to enjoy a completely cord-free listening experience with seamless audio streaming and hands-free calling.

■ Media Playback Time

Enjoy uninterrupted listening with 6-7 hours of media playback on a single charge. Whether you're streaming music, watching videos, or taking calls, these Bluetooth earbuds keep up with your day without frequent recharging.

■ Touch Controls

With the T2's intuitive touch controls, you can effortlessly control your music with a simple tap to play or pause. Adjust the volume to find the perfect sound level. These features ensure a seamless, user-friendly experience, giving you full control over your settings with just a few taps.

■ Active Noise Cancelling

These true wireless stereo earbuds boast dual microphones and Active Noise Cancelling, ensuring crystal-clear conversations even in noisy environments.

■ Wireless Charging

Allows for convenient, cable-free recharging by simply placing the earbuds or their case on a compatible charging pad. This eliminates the need for traditional charging cables and enhances portability and ease of use.

■ Charging Case

Convenient Charging Case: Keep your Bluetooth earbuds powered with a sleek, portable charging case. Offering quick recharges on the go, it ensures extended listening time and safe storage with a compact, pocket-friendly design.
