

Xtream P2

USB Wired Headset with Built-in Microphone

The Xtream P2 USB wired Multimedia Headset with Microphone is stylishly designed for active lifestyles. The headset has a built-in sound chip, allowing direct plug-and-play with a simple USB connection and eliminating the need for separate audio and microphone connection. Connect to PC, laptops, and chromebooks. You can connect with a USB cable along with control panel to mute Mic or adjust volumes, calls and music.

■ Adjustable Mic with Noise Cancelling

The adjustable microphone is omnidirectional which picks up sound with reliability and is 270° flexible allows you to adjust the position for Left/Right ear. The noise cancelling technology helps filtering out unwanted noises from the background, delivering your voice in the most clear and precise manner.

■ Noise Reduction Earcup Design

The built-in Noise Reduction Earcup forms a snug acoustic seal for an extra level of quiet.

■ Stereo Sound Chip

The Xtream P2 has a built-in sound chip, allowing direct plug-and-play with a simple USB connection and eliminating the need for separate audio and microphone connection. The speaker's 30mm drivers deliver clear and crisp stereo sound.

■ Volume Control

With the conveniently located media control, you can easily adjust the volume at your fingertips.

■ Comfortable Fit & Wear

The earcups is adjustable, and can be adjusted to ensure the perfect fit, while the custom padding provides a soft comfortable fit.
