

The Xtream P900 is an ultimate Bluetooth headphones crafted for all-day audio enjoyment and versatile use. Boasting 25-hour long battery life, it frees you from frequent charging for non-stop music, calls and work. Equipped with a 3.5mm AUX port with mic, 40mm high-performance speakers and 80db hearing protection, it blends powerful, immersive sound with safe listening. Whether for daily commute, office work or casual leisure, Xtream P900 delivers a seamless, reliable and user-friendly audio experience for every scenario.

■ Ultra-long Battery Life

Xtream P900 features an upgraded battery system with 40-hour non-stop playback on a single charge. No more anxiety of sudden power off during long trips, work marathons or weekend outings. The long-lasting battery caters to heavy audio users, providing stable power for all-day music streaming, hands-free calls and online meetings without frequent recharging.

■ 3.5mm AUX Port with Microphone

The built-in 3.5mm AUX interface offers a stable wired connection option for Xtream P900, eliminating Bluetooth signal issues entirely. Paired with a high-sensitivity microphone, it ensures crystal-clear voice transmission for calls and online chats. The wired mode is perfect for low-battery moments, keeping your audio and communication going seamlessly anytime, anywhere.

■ 40mm Speaker

Xtream P900 is fitted with 40mm large dynamic speakers, engineered to deliver rich, layered and immersive sound. It enhances bass depth, optimizes midrange vocal clarity and brightens treble without distortion, recreating every audio detail vividly. From explosive music beats to delicate podcast narrations, it brings a theater-like listening experience to your ears.

■ ADJUSTABLE MICROPHONE BOOM

The flexible, rotatable boom arm lets you precisely position the omnidirectional microphone close to your mouth, optimizing voice pickup while minimizing background distractions. It easily adjusts for left/right use and stays in place once set.
