COMFORT FIT

ALL-DAY COMFORT FIT

Soft, padded over-ear earcups and an adjustable, lightweight headband deliver ergonomic support for all-day wear, reducing ear fatigue during long meetings, calls, or study sessions. The flexible design ensures a secure, personalized fit for any head size.

ADJUSTABLE MICROPHONE

ADJUSTABLE MICROPHONE BOOM

The flexible, rotatable boom arm lets you precisely position the omnidirectional microphone close to your mouth, optimizing voice pickup while minimizing background distractions. It easily adjusts for left/right use and stays in place once set.

CALL CONTROL BUTTON

IN-LINE AUDIO & CALL CONTROLS

Intuitive in-line buttons put volume adjustment, call answer/end, and mic mute at your fingertips without reaching for your device. The durable, responsive controls work seamlessly across all compatible platforms for smooth communication.

DUAL INTERFA

DUAL INTERFACE: USB-A + USB-C

The included 2-in-1 USB-A/USB-C connector adapter enables plug-and-play connectivity to nearly any device-laptops, desktops, tablets, and modern smartphones-eliminating the need for extra cables or adapters.

MULTI-DEVICE COMPATIBLE

WIDE OS COMPATIBILITY

Engineered to work natively with Windows, macOS, iOS, Android, and Chrome OSTM, the headset requires no drivers or software installation, ensuring immediate, reliable performance across your entire device ecosystem.
