

iMouse H200

Dual-Mode Bluetooth/2.4Ghz RF Hyper Scroll Ergonomic Mouse

The iMouse H200 is a sleek, ergonomic dual-mode mouse that connects via 2.4 GHz RF or Bluetooth, giving you flexible, cable-free control across multiple devices. Engineered for comfort, it features hyperscrolling for ultra-fast navigation and side-to-side scrolling for smooth horizontal movement—perfect for large spreadsheets, long documents, and creative workflows.

■ Hyperscrolling

Hyperscrolling lets you glide through long documents, webpages, and spreadsheets at lightning speed. With ultra-smooth, high-speed scrolling and precise control when you need it, hyperscrolling makes navigating large amounts of content faster, easier, and more efficient.

■ Dual Mode: Bluetooth or 2.4Ghz

Connect to your device through either bluetooth or using a 2.4Ghz wireless receiver. This flexibility allows the iMouse H200 to be used with a wider range of devices and operating systems.

■ Ergonomic Design

The iMouse H200 ergonomic design provides a comfortable grip and eliminates hand strain, while giving you great cursor control.

■ Adjustable 5 Level DPI Switch (1000/1600/2400/3000/4800)

Attain higher precision and better accuracy with your choice of adjustable DPI levels. Easily switch from 5 different DPI levels from 1000,1600,2400,3000,4800. The easily-accessible DPI button lets you quickly switch cursor sensitivities between the various computer tasks you have throughout the day.
