iMouse S5B USB-C Retractable Mini Mouse

Retractable USB Cable

Optical Sensor

Sleek Design

Small and Portable

■ Retractable USB Cable

The USB-C cable is retractable making the tangling of wires a thing of the past. Pull cable at desired length with a maximum pull of 2.5ft.

■ Optical Sensor

Optical sensor technology improves precision and even lets you work on most surfaces like marble, wood and leather without the need of a mouse pad. With an optical resolution of 1000 DPI, you can browse comfortably basically on any surface.

■ Sleek Design

The iMouse S5B smoothly defined glossy design makes for a smooth navigating experience.

■ Mini, Compact and Portable

The compact and durable design will make this mouse become your ideal choice when you travel. The mini compact size makes it easy to store your mouse in your laptop bag or briefcase while on the go.
