Case Dimensions:	4.17" x 2.44" x 1" (106 x 62 x 26mm)
Weight:	0.2 lbs (92g)

Xtream T7

Wireless Real-time Translation Earbuds

【Real-time translation in 36 languages】

Chinese, English, Japanese, Korean, French, Spanish, German, Arabic, Russian, Thai, Vietnamese, Hindi, Italian, Catalan, Croatian, Czech, Danish, Dutch, Finnish, Greek, Hebrew, Hungarian, Indonesian, Malay, Polish, Portuguese, Romanian, Slovak, Swedish, Turkish, Ukrainian...

【ANC - Active Noise Cancellation】

3 layer active noise cancellation. 1. Outward-facing microphone detects external sounds and counter with equal anti-noise to reduce the environmental noise up to more than 25dB. 2. Inward-facing microphone listens inside ear canal to pick up internal sounds and produce anti-noise again to twice cancel the left noise. 3. Ear caps prevent 90% noise going to ear canal.

【Transparency Mode】

You can hear what you want to hear, which lets outside sound in so you can hear and interact with the world around you. You can clearly hear the announcement of the airline or subway and what is saying around you without taking off the headphones.

【ENC with Dual Mic Call Noise Reduction】

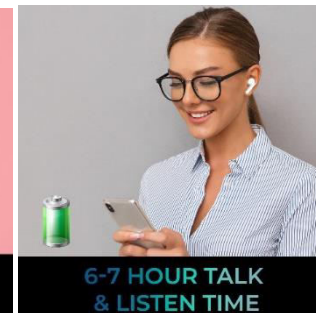

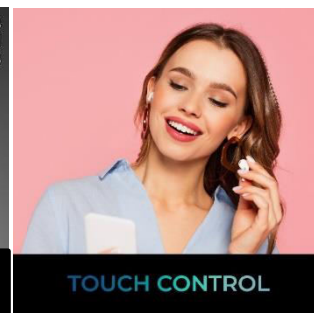

Dual microphone built-in equipped the latest moving-coil Horn loudspeaker with bigger dynamic driver. Noise Reduction can make others hear you very clearly while phone calls, providing you with more realistic call sound and reproducing your music vividly.

【Stereo Sound Quality】

Earbuds' 13mm diameter speaker presents a powerful and wide sound range, which makes the treble full of dynamics, and the bass powerful. Adopt advanced Bluetooth chip makes the sound played by the earphones much more beautiful and pleasant, suitable for sports or home work.

【40 hours durable long time playback】

Enjoy 7 hours of playtime, plus another 33 in the charging case.

Xtream T8

Real-time Translation Earbuds With Touch Controlled Case

【Real-time translation in 36 languages】

Chinese, English, Japanese, Korean, French, Spanish, German, Arabic, Russian, Thai, Vietnamese, Hindi, Italian, Catalan, Croatian, Czech, Danish, Dutch, Finnish, Greek, Hebrew, Hungarian, Indonesian, Malay, Polish, Portuguese, Romanian, Slovak, Swedish, Turkish, Ukrainian...

【Convenient Smart LCD Charging Case】

The touchscreen display on your Smart Charging Case gives you full control of your sound on any devices - laptop, TV, smartphones, or tablets without needing to access the App on your smartphone.

【ANC - Active Noise Cancellation】

3 layer active noise cancellation. 1. Outward-facing microphone detects external sounds and counter with equal anti-noise to reduce the environmental noise up to more than 25dB. 2. Xtream T9

Open-Ear Sport Bluetooth Real-time Translation Earbuds

【Real-time translation in 36 languages】

Chinese, English, Japanese, Korean, French, Spanish, German, Arabic, Russian, Thai, Vietnamese, Hindi, Italian, Catalan, Croatian, Czech, Danish, Dutch, Finnish, Greek, Hebrew, Hungarian, Indonesian, Malay, Polish, Portuguese, Romanian, Slovak, Swedish, Turkish, Ukrainian...

【Open Ear Design For Multiple Scenarios】

The Open Ear Design is engineered for both comfort and safety, offering a breathable and open fit. From video calls to listening to your favorite tunes, these headphones are versatile and cater to multiple scenarios, making them an ideal companion for your daily life.

【Ultra Lightweight and Compatible for Ear】

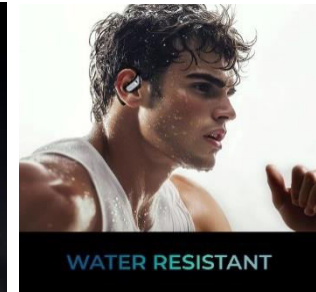

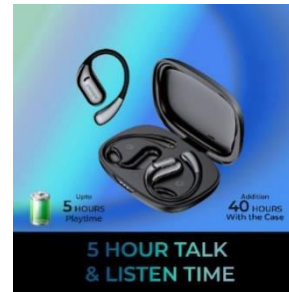

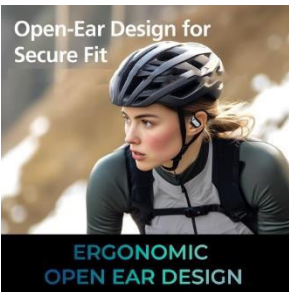

The surface and Angle of the earbuds in-ear part have been polished and refined repeatedly to achieve a balance between beauty and comfort and make it comfortable to wear.

【Stereo Sound Quality】

Earbuds' 13mm diameter speaker presents a powerful and wide sound range, which makes the treble full of dynamics, and the bass powerful. Adopt advanced Bluetooth chip makes the sound played by the earphones much more beautiful and pleasant, suitable for sports or home work.

【36 hours durable long time playback】

Enjoy 6 hours of playtime, plus another 30 in the charging case.

Enjoy 7 hours of playtime, plus another 35 in the charging case.

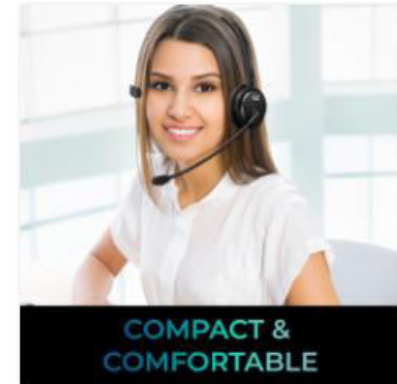

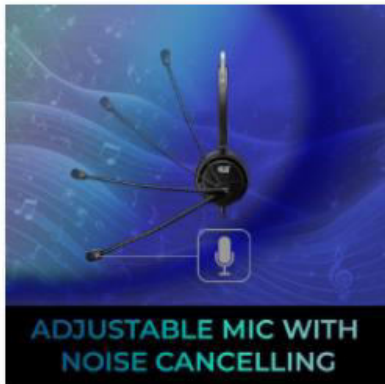

Xtream P1

Single-Sided USB Wired Headset with Adjustable Noise Cancelling Microphone

The Xtream P1 single-sided USB wired multimedia headset with noise-cancelling microphone prevents interruption in an open environment such as a call center conference room customer/tech support station and clerk's desk. The built-in sound chip allows for direct plug-and-play with USB connectivity eliminating the need for separate audio and microphone connections. Compatible with all major operating systems the Xtream P1 connects any USB-enabled computer or device. The media control allows you to mute the mic or adjust the volume with the touch of a button.

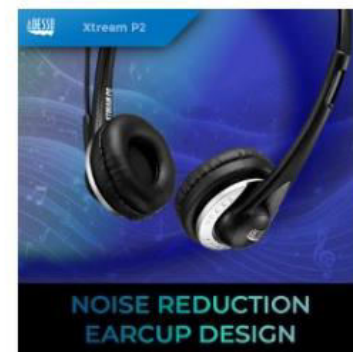

Xtream P2

USB Stereo Headphone with Adjustable Noise Canceling Microphone

The Xtream P2 USB wired multimedia stereo headset with noise-cancelling microphone prevents interruption in an open environment such as a call center conference room customer/tech support station and clerk's desk. The built-in sound chip allows for direct plug-and-play with USB connectivity eliminating the need for separate audio and microphone connections. Compatible with all major operating systems the Xtream P2 connects any USB-enabled computer or device. The media control allows you to mute the mic or adjust the volume with the touch of a button.

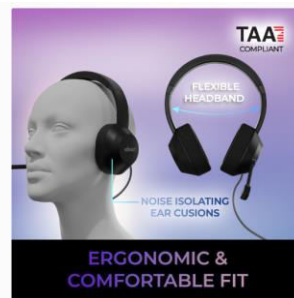

Xtream P7

3 in 1 TAA Wired Headset with Mute, Volume +/-, Answer/End Call Controls, USB C with Type C to A/3.5mm Adaptors

Introducing the Adesso Xtream P7-TAA: a sleek, lightweight, and versatile over-the-ear device headset with boom mic for complete call management and crystal-clear audio. Featuring push-to-talk functionality for dynamic conversations with integrated volume adjustment and call handling, it offers intuitive use in any setting. The Xtream P7P-TAA represents Adesso's commitment to TAA compliance, showcasing our dedication to ethical and fair trade practices. It is the perfect accessory for organizations that prioritize high procurement standards.

Xtream P4

USB-C Headset with CoPilot Shortcut, Enter, Mute, Answer/End Call Buttons

The Adesso Xtream P4 headset, your ultimate communication companion. This sleek and versatile headset seamlessly combines advanced features for exceptional audio clarity and effortless call management. The built-in microphone, enhanced with CoPilot shortcut, a enter and mute buttons and functionality, ensures crystal clear conversations in any environment.

USB Headset with Microphone

Xtream H4

Stereo Headset with adjustable angle Microphone

3.5mm Audio Jack

Works with:

iPad[®] iPhone[®] iPod[®] Mobile

Comfortable Fit & Wear

The earcups and headband are adjustable to ensure the perfect fit, while the custom padding provides a soft comfortable fit.

Built-in microphone

The built-in microphone is omnidirectional which picks up sound with reliability and is flexible which allows you to adjust the position for optimal performance.

Volume Control

With the conveniently located volume control, you can easily adjust the volume at your fingertips.

Dual 3.5 mm Connectors

The dual 3.5mm connectors allow the headset to work directly with your computer through direct plug and play.

USB / 3.5 mm Headset with Microphone

Xtream H5

Multimedia Headphone/Headset with Microphone

Xtream H5U

USB Headset with adjustable angle Microphone

Works with:

iPad[®] iPhone[®] iPod[®] Mobile

Comfortable Fit & Wear

The earcups and headband are adjustable to ensure the perfect fit, while the custom padding provides a soft comfortable fit.

Built-in microphone

The built-in microphone is omnidirectional which picks up sound with reliability and is flexible which allows you to adjust the position for optimal performance.

Volume Control

With the conveniently located volume control, you can easily adjust the volume at your fingertips.

Stereo Sound

The Xtream H5 has a built-in soundcard, allowing direct plug-and-play with a simple USB connection and eliminating the need for separate audio and microphone connection. The speakers' 40mm drivers deliver clear and crisp stereo sound.

Xtream P500

Bluetooth Stereo Headphone with built-in microphone

Multi-Platform Compatibility

The Xtream P500 is compatible with different systems that utilize Bluetooth / 3.5mm audio jack as their audio connection such as smartphones, PC/notebooks, PlayStation 4, Xbox One, Nintendo.

Works with:

Built-in Noise Isolation Microphone

The built-in microphone is omnidirectional which picks up sound with reliability for optimal performance. The built-in noise cancelling technology helps filtering out unwanted noises from the background, delivering your voice in the most clear and precise manner.

Volume Control

With the conveniently located media control, you can easily adjust the volume and manage your calls at your fingertips.

Foldable, Comfortable Fit & Wear

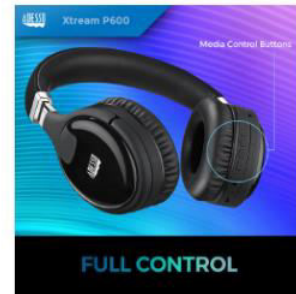

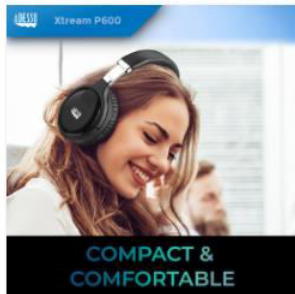

The earcups and headband are adjustable to ensure the perfect fit, while the custom padding provides a soft comfortable fit.

Xtream P600

Bluetooth Active Noise Cancellation Headphone with built-in microphone

The Xtream™ P600 Bluetooth Wireless ANC Multimedia Headset with Microphone are stylishly designed for active lifestyles. Keep your music hassle-free by wirelessly linking your Bluetooth enabled device and streaming from up to 30 feet away. The 4-band 3.5mm AUX connector allows the headset to work directly with most PC mobile phone/audio devices. The built-in microphone is omnidirectional which picks up sound with reliability for optimal performance.
