LIMITED WARRANTY

Adesso® provides a one year limited warranty for all of its products against defects in materials and workmanship.

During this period, Adesso® will repair or replace any product which proves to be defective. However, Adesso® will not warrant any product which has been subject to improper handling, abuse, negligence, improper installation or unauthorized repair. The warranty will not cover products installed with components not approved by Adesso® and products where the sealed assembly trace has been broken.

If you discover a defect, Adesso® will, at its option, repair or replace the product free of charge, provided you return it during the warranty period with freight charges pre-paid to Adesso®. Before returning any product, you must obtain a Return Merchandise Authorization number (RMA). This RMA # must be clearly marked on the outside of the package you are returning for warranty service. Be certain to also include your name, shipping address (no PO Boxes), telephone number, and a copy of the invoice showing proof of purchase in the package.

INTRODUCTION

The Adesso iMOUSE A20 is an ergonomic, antimicrobial, and wireless mouse. With the specially designed vertical shape, the iMOUSE A20 provides a uniquely comfortable ergonomic mouse experience. Buttons are conveniently located on the side allowing for intuitive control and faster back and forward browsing. The switachable DPI (1000/1600/2400) provides for 3 levels of control. With its 2.4 GHz Radio Frequency technology, the iMouse A20 is wireless up to a range of 30 feet. To conserve battery power, there is a built-in On/Off power switch as well as an indicator light letting you know when it is time to replace your battery. Also comes with a mini USB receiver that connects automatically without any hassle.

DESCRIPTION

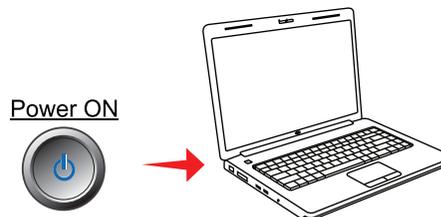

HARDWARE INSTALLATION

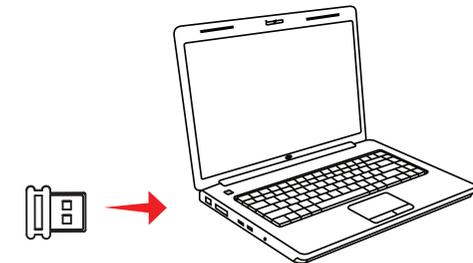

1. Remove the battery cover and insert (1) AA batteries into the mouse and turn the power switch to ON.

2. Turn ON your computer and let your computer load completely.

3. Insert the USB receiver into your computer's USB port. Your operating system will automatically detect your iMouse S80.

4. Your computer's operating system will automatically detect and connect the device (this device is plug and play, no driver is required). Your mouse is now ready for use.
